SUBJECT:	Purchase of fire Equipment and supplies on an as-required basis		
DISTRICTS:			

RECOMMENDATION/REQUIRED ACTION:

That the Board approve award under Invitation to Bid (ITB) 12-0806 to the vendors noted in the background summary for provision of fire equipment and supplies on an as-required basis, and authorize the procurement office to execute all associated implementing documentation. The estimated annual fiscal impact is \$250,000.

BACKGROUND SUMMARY:

Procurement Services, in coordination with the Public Safety Department and the Fleet Management Division, issued Invitation to Bid (ITB) 12-0806 to provide for the ordering of various items of fire equipment and supplies on a term and supply, as-required basis. The actual items to be purchased are repair and replacement parts needed by Fleet Operations and Public Safety to maintain equipment as part of their daily operations. The ITB provided for a one (1) year initial ordering term with options for four (4) additional one (1) year terms.

Fifteen (15) bids were received as noted on the attached tabulation sheet and below. Each vendor offered a discount from the current published list pricing for items produced by the various manufacturers represented by the responding vendors. All responses were found to be technically acceptable. To ensure coverage, availability, and best pricing for any required item, all fifteen of the responding firms (see following listing) have been recommended for award.

A One Fire Equipment, Inc., Sanford, FL
 Bennett Fire Products, Woodstock, GA
 Caskey's Mower, Tavares, FL
 Dana Safety Supply, Tampa, FL
 Elite Fire & Safety, Naples, FL
 Emergency Vehicle Technical Support, Citra, FL
 EVS Firefighting Technologies, Pompano Beach, FL
 Fisher Scientific, Tampa, FL and Pittsburgh, PA
 Hall-Mark Fire Apparatus, Ocala, FL
 Hazard Control Technologies, Inc., Fayetteville, GA
 Lawman's & Shooters Supply, Vero Beach, FL
 Municipal Emergency Services, Boynton Beach, FL
 Municipal Equipment LLC, Orlando, FL
 NAFECO, Decatur, AL
 Ten 8 Fire Equipment, Bradenton, FL

Parts and equipment will be ordered utilizing the best value contract for the particular part or equipment needed.

The fiscal impact reflects an estimated dollar value as actual needs are determined by replacement needs on County equipment.

Actual ordering activity will be included on the County's quarterly term and supply contract report.
